The Scrap Box
Creative Recycling
www.scrapbox.org

The Scrap Box offers a limited mail order service.
You can receive a standard paper box
(11" x 17" x 9")
filled with an assortment of our materials.
Because our inventory is always changing,
we will select items
based on what is currently available.
Some possibilities include a variety of sizes of sticky-back foam pads–usually black or grey; colorful cardboard tubes; bright rip-stop nylon strips; plastic caps; colored cardboard circles and cards; paper labels.
Each box contains enough materials for up to 15 creative preschool or elementary children to do several projects.

To place an order, print this page, fill out the form below, and mail it with your check (we do not accept credit cards) to The Scrap Box.
